\*Ages 12 and under are considered children with these plans. \*\*GPP and GPP+ are available year-round; however, some holiday departures [including December 18-31] and peak travel dates [depending on departure city and date] will incur a surcharge of \$30-\$70. In some cases, such as with Incentive Groups, non-refundable hotel rates, air-only and others, GPP and GPP+ may not be offered. In those cases VPI is offered as an alternative. \*\*\*Pricing for GPP was updated as of February 18, 2021. New pricing is valid for new bookings only.

### SUPPLEMENTAL UPGRADE

For travelers seeking higher limits, consider purchasing GPP with Supplemental Upgrade or GPP+ with Supplemental Upgrade. Each of these plans provides the same benefits with the upgrade of coverage limits; \$2,000 Trip Delay and \$50,000 Emergency Medical Expense/Emergency Evacuation and Repatriation of Remains. Add \$20 per person to the pricing listed above. Or consider purchasing VPI with Supplemental Upgrade. This plan provides the same benefits with the upgrade of a \$2,000 Trip Delay limit. Add \$12 per person to the pricing listed above.

### GROUP PROTECTION PLAN [GPP]

You can cancel your vacation for any reason and receive a refund in the form of a future travel certificate. GPP must be added to your booking within 7 days of providing names and no later than final payment date. This plan is not available with non-refundable hotel rates. Once purchased, your plan cost is non-refundable.

Available for Traditional/Contracted Groups up to 45 rooms.

### GROUP PROTECTION PLAN PLUS [GPP+]

You can cancel your vacation for any reason and receive a refund in your original form of payment. GPP+ must be added to your booking within 7 days of providing names and no later than 90 days prior to departure. This plan is not available with non-refundable hotel rates or air only. Once purchased, your plan cost is non-refundable.

### VACATION PROTECTION INSURANCE [VPI]

VPI is available for groups of more than 30 rooms as well as for Incentive Groups. If you cancel or interrupt your vacation due to an unforeseen, covered reason listed in your policy, benefits will reimburse up to 100% of the cost of your trip for unused, prepaid non-refundable travel arrangements. VPI must be added to your booking within 7 days of deposit date or before final payment is due, whichever occurs first. The VPI plan cost is non-refundable after 14 days from purchase.
